

Reports from community members help us to identify problems, conduct follow ups and deploy our resources appropriately. A report can be filed with our Call Centre at (613)236-1222 extension 7300. Any information you can provide about specific times or days of the week when the problem most often occurs, would be most helpful. I'm attaching a list of contact numbers. Please don't hesitate to use them as the situation dictates.

It is very important that all residents report to police suspicious activity, crimes and disturbances as soon as they are aware of it.
